@music2myear Sort of... I'm thinking of publishing an ebook and want to include a spreadsheet (with macros) as part of the purchase. Rather than going through a huge fuss with the publisher about having unique download codes for each customer or something like that, I'd prefer to have the file included in the PDF that people buy.

- [Voiceover] Hi, I'm Chris Dutton and welcome to Visualizing Geospatial Data with Power Map. In this course, we'll expand on the Building Excel Heat Maps course and use Power Map to plot accident locations based on latitude and longitude data, all within Excel. We'll start by analyzing a heat map, identifying the geospatial variables in our data set, and laying out a project road map.
