Overview. In some cases, the United States being one such case, some subnational entities have granted voting rights to non-citizens. Conceptions of subnational citizenship have been reasons to grant this right to those normally excluded from it. Other countries have granted voting rights to non-citizens who hold citizenship of a country which is a fellow member of a supranational organization ...

Right of foreigners to vote - Wikipedia

Rule of law and access to justice faced significant obstacles in 2016, with challenges to international justice institutions and with civic space continuing to shrink at the global and national level.

SDG16 Data Initiative 2017 Global Report

Media and Elections. The media are essential to democracy, and a democratic election is impossible without media. A free and fair election is not only about the freedom to vote and the knowledge of how to cast a vote, but also about a participatory process where voters engage in public debate and have adequate information about parties, policies, candidates and the election process itself in ...
