The French horn (since the 1930s known simply as the "horn" in some professional music circles) is a brass instrument made of tubing wrapped into a coil with a flared bell. The double horn in F/B â™- (technically a variety of German horn) is the horn most often used by players in professional orchestras and bands. A musician who plays a French horn is known as a horn player or hornist.

For instrumental groups Strings. The string section is a body of instruments composed of various stringed instruments. By the 19th century orchestral music in Europe had standardized the string section into the following homogeneous instrumental groups: first violins, second violins (the same instrument as the first violins, but typically playing an accompaniment or harmony part to the first ...
