Hurricane Camille was the third-most intense tropical cyclone to strike the United States on record. The most intense storm of the 1969 Atlantic hurricane season, Camille formed as a tropical depression on August 14 south of Cuba from a long-tracked tropical wave. Located in a favorable environment for strengthening, the storm quickly intensified into a Category 2 hurricane before striking the ...

The fur trade is a worldwide industry dealing in the acquisition and sale of animal fur. Since the establishment of a world fur market in the early modern period, furs of boreal, polar and cold temperate mammalian animals have been the most valued. Historically the trade stimulated the exploration and colonization of Siberia, northern North America, and the South Shetland and South Sandwich Islands.

Over the past two years, state legislators across the country have launched an unprecedented series of initiatives aimed at lowering labor standards, weakening unions, and eroding workplace protections for both union and non-union workers. This policy agenda undercuts the ability of low- and middle-wage workers, both union and non-union, to earn a decent wage.

Thanks to the Amazon Effect, fast and free delivery is the new normal, forcing other online sellers to keep up. However, there's one area of e-commerce where online sellers can still compete logistically with Amazon and big box players: delivery of oversized, larger-than-parcel items, such as furniture, sofas, armoires, mattresses, treadmills, and more.
