Babylon 5 (1993–1998), created by J. Michael Straczynski, is a science fiction television epic about Babylon 5, an Earth-governed space station built to promote harmony between interstellar civilizations. It is unusual in its focus on a story arc which dominates the events through its five-year run.

With the rise of literacy in America, a more systematic way of teaching handwriting was needed. Enter Platt Rogers Spencer. Spencer used nature to teach penmanship “ water worn pebbles served as his model for ovals and the waves on a lake served as the inspiration for the lines that connected his letters.

An artifact, or artefact (see American and British English spelling differences), is something made or given shape by humans, such as a tool or a work of art, especially an object of archaeological interest.. In archaeology, however, the word has become a term of particular nuance and is defined as: an object

recovered by archaeological endeavor, which may be a cultural artifact having ...
