

performance assessments in science pdf

Program Overview. On January 1, 2014, the California Assessment of Student Performance and Progress (CAASPP) System was established. The primary purpose of the CAASPP System is to assist teachers, administrators, students, and parents by promoting high-quality teaching and learning through the use of a variety of assessment approaches and item types.

The Programme for International Student Assessment (PISA) is a worldwide study by the Organisation for Economic Co-operation and Development (OECD) in member and non-member nations intended to evaluate

educational systems by measuring 15-year-old school pupils' scholastic performance on mathematics, science, and reading. It was first performed in 2000 and then repeated every three years.

ANU is a world-leading university in Australia's capital city, Canberra. Our location points to our unique history, ties to the Australian Government and special standing as a resource for the Australian people. Our focus on excellence in research and education ensures our graduates are in demand the world-over, well-prepared to address complex contemporary challenges.

About ANU - ANU

EOC assessments are computer-based, criterion-referenced assessments that measure the Florida Standards (FS) or the Next Generation Sunshine State Standards (NGSSS) for specific courses, as outlined in their course descriptions. In 2011, Algebra 1 (NGSSS) was the first course to undergo the implementation of a statewide EOC assessment.
