The aim of this resource is to introduce you to low tech symbol based AAC to enable you to support children who can't rely on speech to communicate to the best of their ability.

Getting Started with AAC: Using Low Tech Symbol Based

Social Stories were devised as a tool to help individuals on the autism spectrum better understand the nuances of interpersonal communication so that they could interact in an effective and appropriate manner. Although the prescribed format was meant for high functioning people with basic communication skills, the format was adapted substantially to suit individuals with poor communication ...
