Practice Makes Perfect Basic Hindi (Practice Makes Perfect

Practice or practise is the act of rehearsing a behavior over and over, or engaging in an activity again and again, for the purpose of improving or mastering it, as in the phrase "practise makes perfect". Sports teams practise to prepare for actual games. Playing a musical instrument well takes a lot of practise. It is a method of learning and of acquiring experience.

Is it practise or practice? There is always the difficulty of recognising American English spellings and British English spellings with words like these. Whether we like it or not, much of our language is now heavily influenced by American English spellings.

Is it practise or practice? - Future Perfect

Well said. I also preach that "practice doesn't make perfect, it makes permanent". What makes perfect is reflective practice "thinking about what one did wrong, could do differently, can do better, which slides did not work, where did you have difficulty remembering what you wanted to say, what took too long, too short, etc.
