In medicine, public health, and biology, transmission is the passing of a pathogen causing communicable disease from an infected host individual or group to a particular individual or group, regardless of whether the other individual was previously infected.. The term strictly refers to the transmission of microorganisms directly from one individual to another by one or more of the following ...

Commodores is an American funk/soul band, which was at its peak in the late 1970s through the mid 1980s. The members of the group met as mostly freshmen at Tuskegee Institute (now Tuskegee University) in 1968, and signed with Motown in November 1972, having first caught the public eye opening for the Jackson 5 while on tour.. The group's most successful period was in the late 1970s and early ...
