50. Q: If people want to assess their own abilities as leaders, how do you suggest they get started? A: In our research we've learned that the behavior leaders struggle with the most is "I ask for feedback on how my actions affect the performance of others." It's something everyone finds difficult, so just asking the question about getting started is a big step forward.

Many people cite anecdotal experiences of "brain fog" as proof that ketosis actually hinders mental thinking, but this is false. This misconception arises from the fact that one must undergo a period of induction into ketosis (approximately 10-30 days) in which the body adjusts itself fully to a ketogenic metabolism.
