How to Be Invisible: Protect Your Home, Your Children

Passwords are a common form of authentication and are often the only barrier between you and your personal information. There are several programs attackers can use to help guess or "crack" passwords, but by choosing good passwords and keeping them confidential, you can make it more difficult for an unauthorized person to access your information.

Choosing and Protecting Passwords

Protect Your Property Rights. Make sure you purchase an owner's title insurance policy to protect your property rights. Find out how for a one-time fee an owner's policy can protect your important property rights for as long as you or your heirs own the property.
