

public relations and social pdf

Public relations (PR) is the practice of managing the spread of information between an individual or an organization (such as a business, government agency, or a nonprofit organization) and the public. Public relations may include an organization or individual gaining exposure to their audiences using topics of public interest and news items that do not require direct payment.

Public relations - Wikipedia

Lee defined public relations, saying: Public relations means the actual relationship of the company to the people and that relationship involves more than talk.

THE INSTITUTE FOR PUBLIC RELATIONS COMMISSION ON PR

In public relations and communication science, publics are groups of individual people, and the public (a.k.a. the general public) is the totality of such groupings. This is a different concept to the sociological concept of the Öffentlichkeit or public sphere. The concept of a public has also been defined in political science, psychology, marketing, and advertising.
