Human trafficking is the trade of humans for the purpose of forced labour, sexual slavery, or commercial sexual exploitation for the trafficker or others. This may encompass providing a spouse in the context of forced marriage, or the extraction of organs or tissues, including for surrogacy and ova removal. Human trafficking can occur within a country or trans-nationally.

Human nature is a bundle of fundamental characteristics including ways of thinking, feeling, and acting which humans tend to have naturally.. The questions of whether truly fixed characteristics exist, what these natural characteristics are, and what causes them, are among the oldest and most important questions in philosophy and science. The science that examines human nature is known as ...
