The Metaphysical Conception of Realism

Metaphysics Humans are multi-dimensional beings composed of many parts and with connections to many dimensions. The human as well as the Universe is far more complex than ... metaphysics is the science of all realms, their laws and functions. From a metaphysical viewpoint, the physical world that we see before us is the 3rd dimension. There are ...

Metaphysics - edited new

Metaphysical Foundations of Natural Science Immanuel Kant Preface Preface 467 [Kant launches this work by distinguishing two senses of the word "nature"™.

Metaphysical Foundations of Natural Science

every metaphysical question can be asked only in such a way that the questioner as such is present together with the question, that is, is placed in question. From this we conclude that metaphysical inquiry must be posed as a whole and from the essential position of the existence [Dasein] that questions. We are questioning, here and now, for ourselves.
