The Morganville Vampires Vol. 1 is an interesting vampire story when you compare it to other vampire stories that's out on the market - for example Twilight. I like the plot, the fact that the vampires are the bad ones, and that the pack of human main characters that we're following are quite resourceful.

It gets 1.5 stars knocked off for Caine's casual attitude towards violence and rape. Seriously, how many times can a girl almost get raped and still be walking around like everything is fine? I would not be going to a party in a teeny tiny dress if the last time I went to one I was almost gang raped.
