Optimal Law Enforcement with Self-Reporting of Behavior The Harvard community has made this article openly available. Please share how this access benefits you. Your story matters Citation Louis Kaplow and Steven Shavell, Optimal Law Enforcement with Self-Reporting of Behavior, 102 J. Pol. Econ. 583 (1994).

Optimal Law Enforcement with Self-Reporting of Behavior

antitrust, a game theoretic economic model comparing the optimal defection times of firms engaged in a cartel with and without leniency available as well as with and without proportional penalty schemes, a review of the results from the model, and finally concluding remarks regarding well-designed and properly implemented leniency programs.

Optimal Enforcement for Antitrust Authorities

This PDF is a selection from an out-of-print volume from the National Bureau of Economic Research Volume Title: Essays in the Economics of Crime and Punishment ... 58 THE OPTIMUM ENFORCEMENT OF LAWS (five crimes) and thus increase also the probability of apprehending him.

The Optimum Enforcement of Laws - National Bureau of

The economic literature on optimal law enforcement is very recent. Becker's seminal paper on crime and law enforcement dates from 1968 and most papers which are the focus of this survey have been ...

The Theory of Optimal Law Enforcement | Request PDF

Both optimal tax models and game theory models suggest that close coordination between tax policymakers and the tax administrator may be necessary. Specifically, IRS officials and policymakers should think carefully about what IRS's enforcement objective should be, and how the overall objective can be implemented in various enforcement programs.

Optimal Tax Enforcement: A Review of the Literature and

optimal inspection strategies in important classes of inspection games, thereby identifying the minimum adequate penalty, or threshold. We then study how the threshold is related to other parameters, principally

the amount of inspection (represented by k), which is an important issue for treaty designers and policy-makers.

Optimal Enforcement and Adequate Penalties - calvin.edu

enforcement at a later time, they take this into account at the outset and write contracts that are time consistent. 2 We prove that when commitment problems of this type exist, debt is the optimal contract.

Optimal Contracts when Enforcement is a Decision Variable

the optimal policy may involve over or under-deterrence compared to the full information outcome. We then investigate the properties of a pollution standard. We show that this policy comes close to an environmental tax once the economic incentives of the accompanying enforcement policy are considered.

Optimal Environmental Taxation and Enforcement Policy

In this paper, we use a formal model of law enforcement to identify the optimal procedure to remedy cases in a context of partial legal uncertainty (Katsoulacos and Ulph in Eur J Law Econ 41(2):255â€“282, 2016). We discuss in particular the merits of a policy of selective commitments where firms either take strong commitments or are investigated under the standard infringement procedure.

Optimal enforcement of competition policy: the commitments

optimal enforcement literature since Becker's 1968 seminal paper: 1) why fines are not simply set as high as possible, 2) assumptions about the objective function of the enforcement agent, and 3) why the emphasis of the literature is on incomplete rather than full enforcement.
