The Plurality of Imaginary Worlds - blackcoatpress.com

Conversations on the Plurality of Worlds (Entretiens sur la pluralité des mondes), first published in 1686, is one of the best loved classics of the early French enlightenment. Through a series of informal dialogues that take place on successive evenings in the marquise's moonlit gardens, Fontenelle describes the new cosmology of the Copernican world view with matchless clarity, imagination, and wit.
