years, many questions about the tech-nology have arisen and, perhaps as importantly, it has become a good case study for what board members should be considering in general as hospitals wrestle with the need to ... A Question of Value, Trustee (3/2011) Author: Trustee

A Question of Value - ECRI Institute

All who value learning need to develop an appreciation of questions in their search for knowledge. Don't avoid difficult questions. Don't just value and memorize answers to old questions. New questions, yet unanswered, are always on the way if you continue study and learning. Every new question is an opportunity to learn something new.
