group already have plenty of experience with practical problems. How prepared were they for the decisions they had to make? Do they have any regrets? 4. At the close of Alice in April, Alice writes a letter to herself at age sixty. Your group can do the same thing, but with a slight twist. The younger members compose letters to their older selves.

The Alice Series

Turkish children in the Netherlands. One group of children was involved in an L2 submersion curriculum, which provided L2 literacy instruction before L1 literacy instruction. The other group of children followed the L1/L2 transitional curriculum, where literacy skills were first taught in L1.
