white, and all the men knew the colors of the sea. The line between sky and water narrowed and widened, and fell and rose. A man likes to take a bath in a bigger area than this boat could provide. These waves were frightfully rapid and tall; and each boiling, white top was a problem in the small boat.

winds blowing sand from the dune onto the beach, and onshore winds blowing the sand back into the dune. Vegetation plays a critical role both in trapping sand blown towards the dune and in limiting the sand blown off the dune. These dynamic environmental conditions cause dunes to shift between erosive and accretional phases.
