P R E F A C E IN 1 342 Petrarch wrote What perhaps is the most remarkable of all his works, "His Secret" It takes the form of a dialogue with Saint Augustine to whom he lays bare the inmost recesses of his heart and mind. The story of his love and ambition is told with a candour almost impossible in these days

T H E T of Petrarch - forgottenbooks.com

In his "Secret Book" Petrarch brings up the classical argument that God gave humans the intellectual potential to figure out the world for themselves. Because of their ability to understand the world through philosophy and reason, Petrarch's beliefs conflicted with the Church doctrine that human intelligence and capability is limited by God's will.
