The Selling Formula 5 Steps For Instant Sales Improvement

My name is Marcus and I'm a video creator that cracked the code on how to sell video production services at higher rates. Before we get into how I broke free from selling videos for between \$350-500 into my first four figure and five figure video projects, lemme tell you a bit of my story.

Video Selling Formula (BOOK) - Marcus Rideout

“Selling the way your customer wants to buy” is not the way you like to sell. This is what you will discover in this breakthrough book. Consultative selling made its appearance in the 1970s and, since then, has gained popularity in just about every industry and service. It has become the de facto way we sell in today's market.

Breakeven Selling Price Computing the breakeven selling price for your product is an important calculation when setting your sale price. It tells you the minimum price you can sell your product for and still cover your costs. The breakeven sale price should be computed over a range of production and sale quantities using the formula below.
