Ten Strategies for Conflict Resolution

- When angry, separate yourself from the situation and take time to cool out.
- Attack the problem, not the person. Start with a compliment.
- Communicate your feelings assertively, NOT aggressively. Express them without blaming.
- Focus on the issue, NOT your position about the issue.

Ten Strategies for Conflict Resolution - Citizens Committee

A series of closely interrelated essays on game theory, this book deals with an area in which progress has been least satisfactory--the situations where there is a common interest as well as conflict between adversaries: negotiations, war and threats of war, criminal deterrence, extortion, tacit bargaining.

The Strategy Of Conflict - tldr.io

Conflict happens when you have a situation in which your concerns, desires, preferences, and/or goals differ from those of another person. Conflict centers on the differences between two or more individuals (as well as groups or organizations) and how they choose to handle those differences. It can be positive.
