some therapeutic systems in Oriental medicine. So it's no surprise that practitioners in many parts of the world have incorporated manipulations designed to work with the internal organs and their functions. I first became interested in biomechanics while working as a registered physical therapist of the Lung Disease Hospital in Grenoble, France.

Rachel was eventually diagnosed with irritable bowel syndrome and saw several doctors, a hypnotherapist and acupuncturist in search of a therapeutic solution. It wasn't until she sat down with Dr. Daniel Kohen, a pediatrician and professor at the University of Minnesota, that she discovered a technique that would reduce her pain substantially, allowing her to achieve good grades, play sports and make friends.
