Principles, Doctrines, and Theories Influencing the Right of Access to the Sea generalized either by the most favored nation (MFN) clause or by restricted usage.

Get The Transit Regime for Landlocked States

for efficient transit regimes, thus boosting international and regional trade for all countries. The development of the WCO Transit Guidelines, containing 150 guiding principles for efficient transit regimes, is an important milestone, not only for LLDCs but also for other Members, in particular transit countries.

Route for efficient transit regime World Customs Organization

integrated regime such as the EU community transit system, or through a harmonization of certain aspects of transit operations such as the TIR system so that, for example, a uniform document and/or guarantee can be used for the entire transit operation across

Bonded Customs Transit - UNCTAD

The study further analyzes bilateral treaties and agreements dealing with the question of transit in different continents. These agreements aimed at facilitating transit between landlocked States and their transit neighbors provide for regimes that are tailored to the specific geopolitical and socioeconomic needs of the parties.

The Transit Regime for Landlocked States : International
