and Theosophy An Introduction The most basic fact of our existence is our awareness of self. We know we are alive but we see that people around us shift and change. Some are born; others die. But does death annihilate our consciousness, as well as destroy the body? Is there some kind of life after death?

by H.P. Blavatsky

Theosophy. This work in two large volumes shows the universality and the great age of the Theosophical system of thought. H.P.B. promoted a greater Western acquaintance with Eastern religions and philosophies and brought the teachings of reincarnation and karma into common knowledge in the Western world.
